Our services

We are authorised to provide advice and dealing services for personal risk insurance.

Not Independent

We are paid a commission by the product provider on risk insurance policies and our advice is therefore not independent, impartial or unbiased.

The financial advice process

We recognise that the objectives and personal circumstances of each client are different.

Where we provide personal advice, we will listen to you to understand your objectives and circumstances. We will also ask questions to make sure we provide advice which is in your best interests.

When we first provide personal advice to you it will be explained thoroughly and documented in a Statement of Advice which you can take away and read.

The SoA will explain the basis for our advice, the main risks associated with the advice, the cost to you of implementing the advice, the benefits we receive and any conflicts of interest which may influence the advice.

We will provide you with a Product Disclosure Statement for products we recommend. This contains information to help you understand the product being recommended.

At all times you are able to contact us and ask questions about our advice and the products we recommend.

You can provide instructions to us in writing, via phone or via email. In some cases, we may require you to provide signed instructions.

We may provide further advice to you to keep your plan up to date for changes in your circumstances, changes in the law and changes in the economy and products.

If we provide further advice, it will typically be documented in a Record of Advice which we retain on file. You can request a copy of the RoA document at any time up to 7 years after the advice is provided.

Commissions

We typically receive a one-off upfront commission when you take out an insurance policy that we have recommended. We typically also receive a monthly commission payment for as long as you continue to hold the policy. The commission will vary depending on the recommended product and will be documented in the SoA or RoA.

Fees

We may charge you a fee for our services. The fee will be agreed with you in advance and will be based on the scope and complexity of services provided to you.

Other Benefits

We may receive other benefits from product providers such as training, meals and entertainment. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

Associated Businesses

Paul Chalmers and Nathan Ritchie are the owners of Geelong Accounting Pty Ltd which provides accounting, tax and other SMSF services. We may refer you to Geelong Accounting for the services they provide.

Paul Chalmers and Sean Joblin are the owners of Surfcoast Financial Pty Ltd which provides comprehensive financial planning services. We may refer you to Surfcoast Financial for the services they provide.
